

# AVIS Rent a Car

Avis Rent a Car is the leading car rental company in Southern Africa. Our success is underpinned by the personal commitment by each staff member to exceed your expectations at every interface.

## We Try Harder, by providing you with:

- A range of products and services to meet your travel needs.
- A wide selection of vehicles to suit your driving needs and budget.
- A nationwide footprint that extends across Southern Africa.
- Helpful and friendly Brand Ambassadors displaying the “We Try Harder” spirit.
- Advanced technology, which provides our customers with immediate reservation confirmation worldwide.
- Locations that deliver and collect vehicles on request.
- Emergency roadside service with the Avis Breakdown and Emergency in the event of an accident or breakdown (refer to emergency numbers on inside back cover).
- Emergency medical assistance supported by Europ Assistance in South Africa and International S.O.S in Namibia.

## Vehicle guide - South Africa

### Note:

All vehicles are right hand drive and models are subject to change without notice. The vehicle features referring to the number of passengers and bags are estimates only.

### The key to the Avis Fleet:
